- Reminders

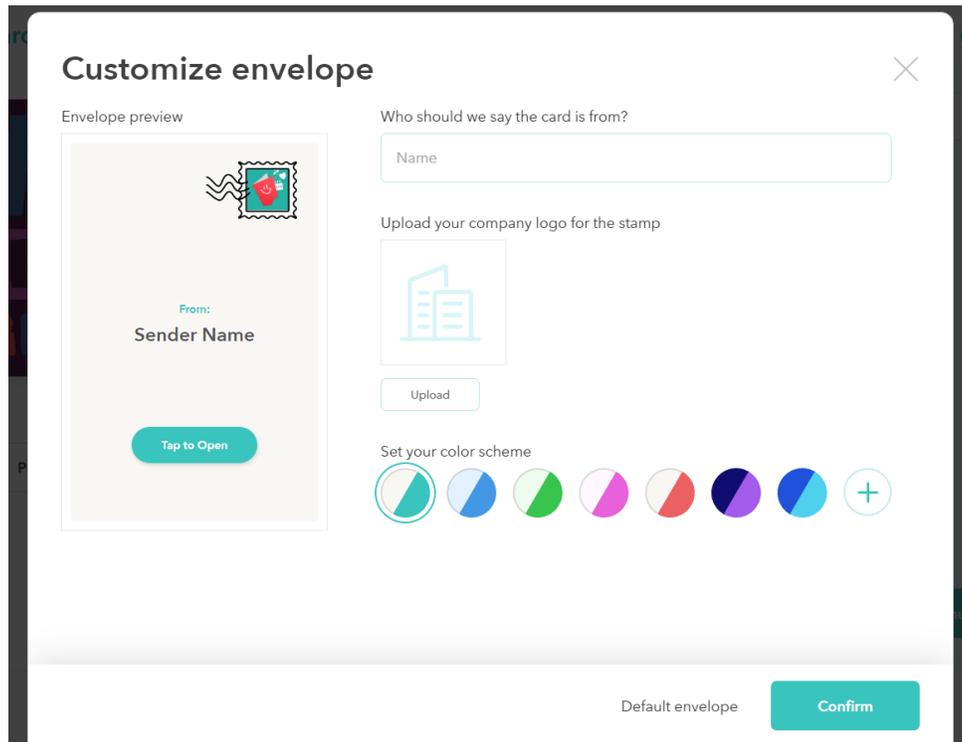

2 Click "Envelope".

 Preview Card

3 Under "Who should we say the card is from?", enter your company's name.

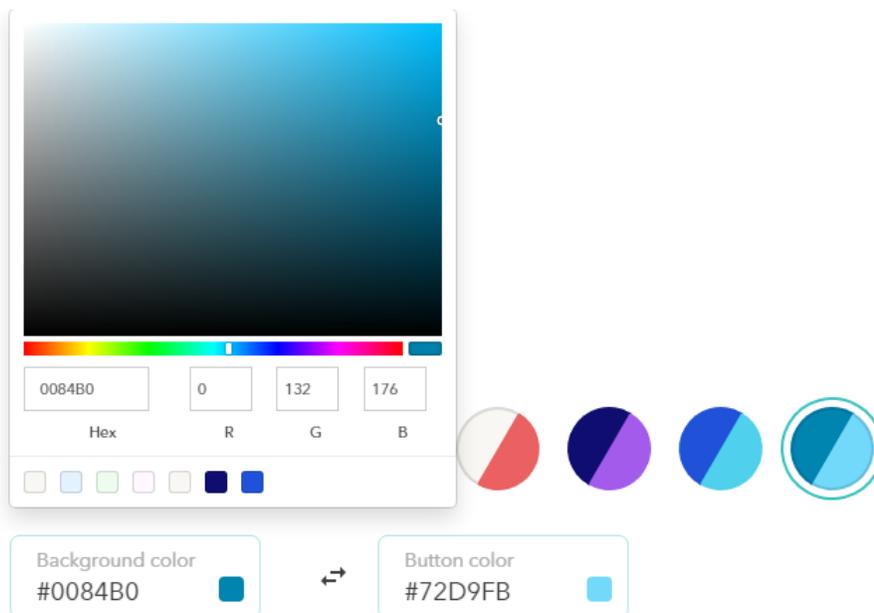

4 Click "Upload" to add your company's logo for the stamp.

Upload your company logo for the stamp

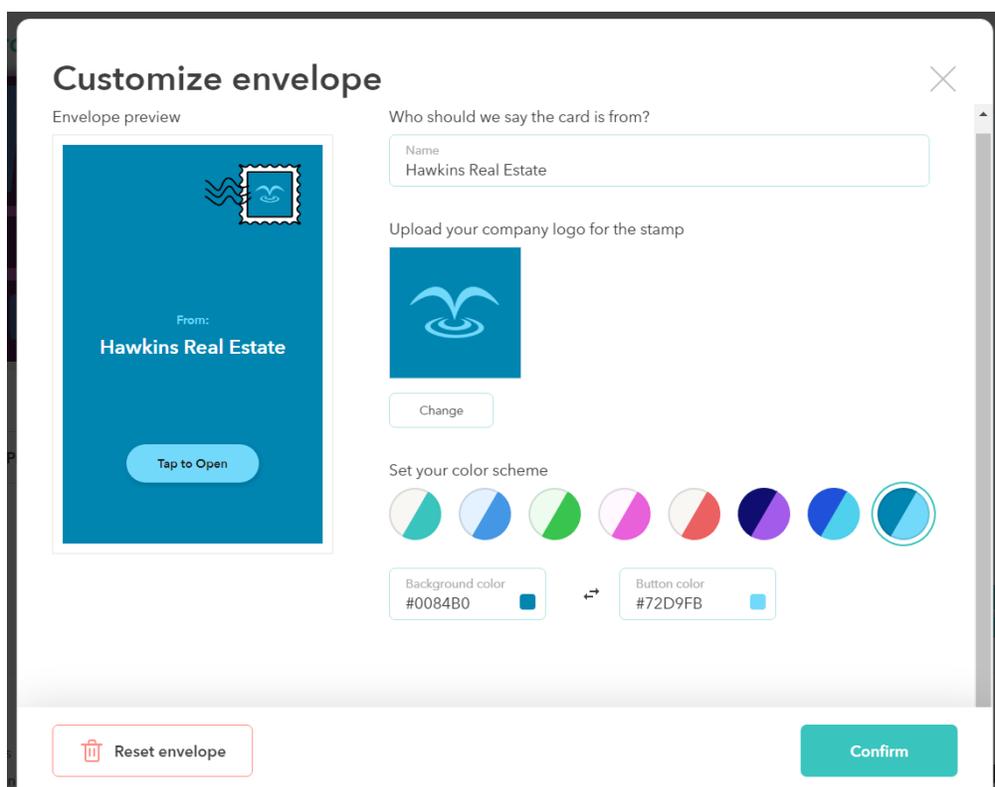

Upload

5 In the set your color scheme area, click the "+" button on the right to input the Hex or RGB codes of your company's color scheme

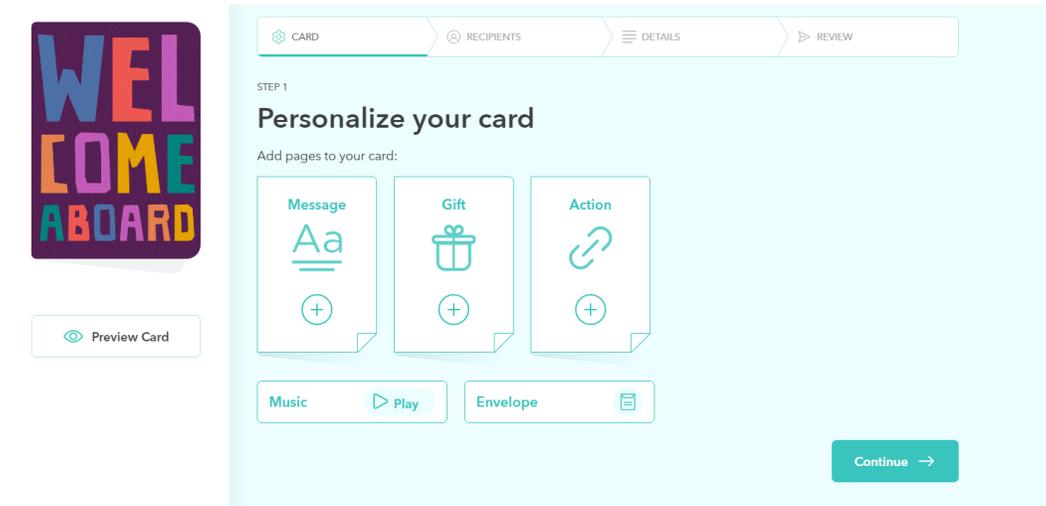

6 When you are finished customizing your envelope, click "Confirm".

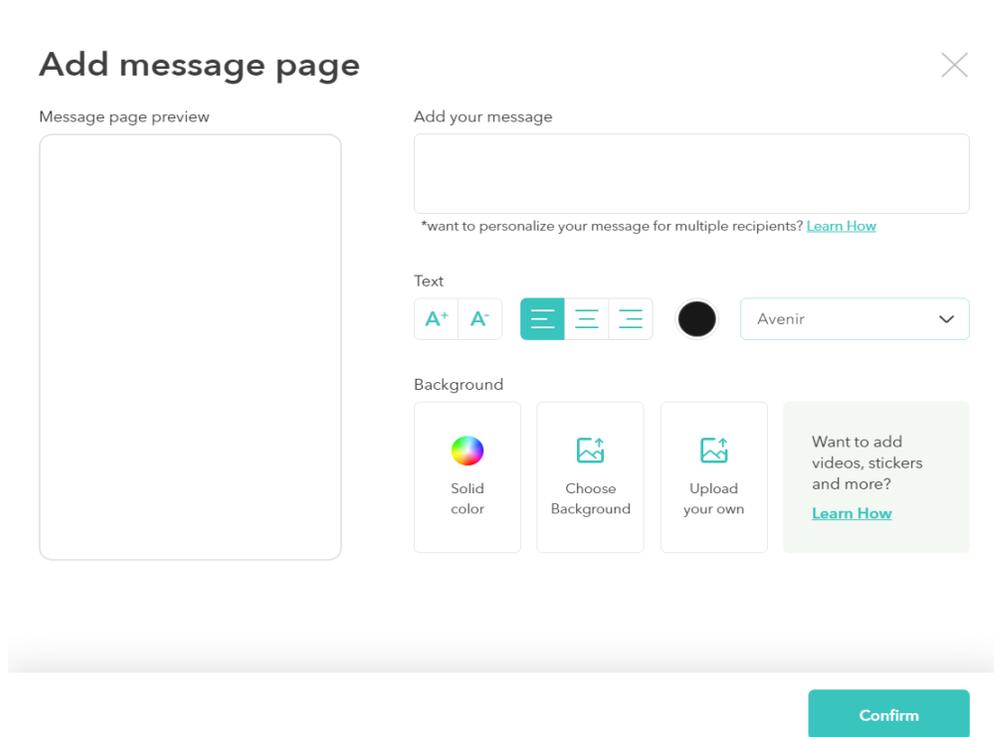

Adding Your Branding to the Message

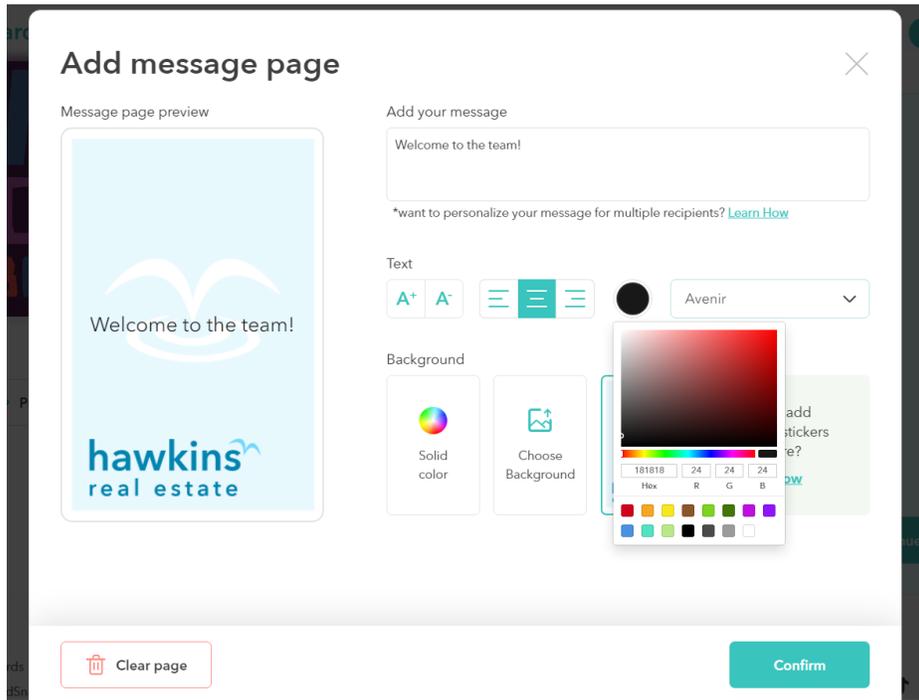

1 Click "Message".

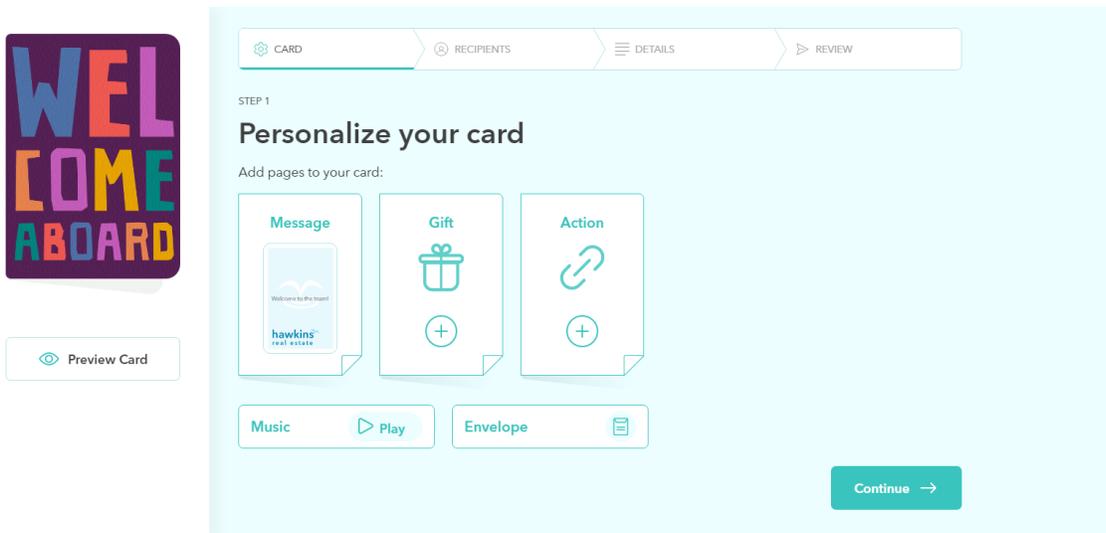

2 In the Background section, click "Upload your own" to upload a custom background that reflects your branding.

3 Type in your message and adjust the text size, alignment, color, and font. When you are done, click "Confirm".

4 Finish personalizing your card, then click "Continue" to move on to the next step.
